I live on a very secluded and isolated post. The Shoppette needs to be better stocked and bigger in building size. we can order stuff as needed. Nevertheless, it needs to be better stocked, daily. It needs to be opened for longer hours; it closes at 2000, sometimes it closes at 1900. On the weekends, the Shoppette opens too late and closes too early. Extend the hours.

The commissary needs to be opened longer and more regular hours. It needs to be stocked, better. The commissary has odd hours of service. The commissary needs to accept Army Star Credit Cards as a payment option.

I would really like to see the craft shop improved and fully staffed and would participate regularly in a wood working.

Would like to see a "good" automatic car wash (drive through), new car care facility, new dining facility with improved menus.

I think the prices at the Community Club are WAY too expensive. I would buy things more often from there but the prices are too much. Two fifty for a grilled cheese sandwiched and a small bag of chips?! I think business would be much greater if the prices were cheaper.

Also, I am very impressed with these facilities/activities: the AAFES, the Library and all the different array of trips that Outdoor Rec offers. There are many things to do on Dugway. I just wish it were easier to advertise activities. Sometimes I never find out about them.

It would be nice if the ESPN channel could be brought back to the Community Club. It gives the partons something to watch. Several times people did not stay at the bar because they could not watch a game. The bar at the club generates a decent revenue, so it would be nice if it could be modernized...new beer coolers with sliding glass doors, a new countertop, etc.

It also would not hurt to "perk up" the golf course club house.

I understand that we are a small instillation and that we do not service the volume of people that larger instillations have. I do appreciate the facilities we have and do not want to see any of them go.

There is too much emphasis on youth facilities and programs at the expense of the adults. For the most part, the adult facilities are decrepit and usually not usable. Food services are deplorable - everything is deep fried and there is no choice in types of food. The pool caters only to youth. The community club lounge (which attracts the most adults) hasn't been updated or upgraded in 30 years and folks are choosing not to go anymore. The bar is normally out of two or three draft beers and is very limited in the types of alcohol available. Money was spent on televisions in underutilized areas at the expense of updating the tables and chairs in the lounge. The TV's sit unused while those folks who go to the bar sit in chairs that are probably older than they are!

The managers running the facilities show no pride in supporting the community nor listening to the community.

This installation desperately needs trained professionals managing the on post facilities!

Lap swimming is only offered during the lunch hour. Makes it kinda tough for those that work to participate, don't you think?  
The golf clubhouse should be condemned, and a new clubhouse built. It would probably pay for itself, too.
